

Eagle Success Program

Center for Academic Achievement
Florida Gulf Coast University

Mission: The mission of the Eagle Success Program is to engage students academically to promote responsibility, college skill development and overall college success. The Center for Academic Achievement offers this program as a proactive approach that focuses on helping students build a strong academic foundation for success.

The Eagle Success Program is a voluntary, semester long program to assist with the development of:

- Skills for success in the classroom
- Meaningful relationships with faculty and staff on campus
- Goal setting
- Personal ownership of one's academic achievement

What are the benefits of the Eagle Success Program?

- Increased academic performance
- Develop meaningful relationships with FGCU faculty and staff
- Personal ownership for student academic achievement
- Map short- and long- term academic goals

Students have the opportunity for Academic Engagement through;

- Mapping Semester Goals
- Participating in Academic Coaching
- Identifying Goal Oriented Initiatives
- Attending Student Success Workshops
- And many more opportunities
